## EDUCATION

Sri Sankara Arts and Science College, Enathur.	May 2024
Bachelor's in Computer Science	CGPA:7.5
G.H.S.S, Narthampoondi, Tiruvannamalai	May 2021
HSC	Percent: 78%

## SKILLS SUMMARY

• Language:	Java
• Databases:	MySQL, MongoDB
• Web:	HTML, CSS, JavaScript
• Frameworks/CMS:	Spring boot, React.js, Bootstrap, WordPress, Zoho Creators
• Soft Skills:	Applied data structures and algorithms in Java to develop efficient back-end solutions.

## WORK EXPERIENCE

### WEB DEVELOPMENT INTERN

#### HHCREATES | Oct 2024 – Apr 2025

- Developed and maintained 3+ client websites using HTML, CSS, JavaScript, and React.js improving load time by 25%
- Gained experience in WordPress for website customization and content management.
- Designed and developed low-code apps using Zoho Creator.
- Assisted in implementing UI/UX improvements, increasing user engagement by 20%
- Optimized website performance, reduced load time and ensured cross-browser compatibility.

## PROJECTS

### HARISH MEDIA

- Tech Stack:** React.js | Java | Spring Boot | WebSockets | SMTP | REST APIs.
- Engineered a Facebook-like social platform using modern tech stack.
- Built a responsive front-end using React.js for a seamless user experience.
- Developed RESTful APIs with Spring Boot back-end to support scalable architecture
- Integrated WebSockets for real-time features (likes, comments, notifications)
- Enabled email functionalities via SMTP for user verification and notifications.
- Implemented email verification using SMTP and secured JWT authentication
- Deployed the platform publicly for live user access.
- Credentials ([haerish@gmail.com](mailto:haerish@gmail.com), sunduv007).

### HARISHCART (eCommerce Platform)

- Tech Stack:** React.js | Java | Spring Boot | REST APIs.
- Designed and implemented a fully functional eCommerce website.
- Created intuitive UI with React.js incorporating modern UX principles
- Developed secure APIs in Spring Boot for product management and user management.
- Implemented shopping cart, product listing, and checkout modules
- Hosted the platform at [Harish Cart](#) for live access.

## TRAINING

- Certified in Python and Soft Skills Training – Bhumi Foundation (Sponsored by CISCO)
- Completed Advanced Java and C++ Training by Spoken Tutorial, IIT Bombay
- Proactive and confident communicator with strong problem-solving abilities.
